

Lynn HOME-ARP Allocation Plan Community Forums

The City of Lynn has received \$3.34 million in HOME American Rescue Plan Program (HOME-ARP) funds. You are invited to participate in a Community Forum to discuss the allocation of these funds.

What is the HOME- ARP Program?

HOME-ARP is a federal program that assists individuals or households who are: experiencing homelessness; at risk of homelessness; fleeing or attempting to flee domestic violence; were formerly homeless; or are part of other vulnerable populations.

What are eligible uses of HOME-ARP funds?

HOME-ARP funds can be used to provide housing, rental assistance, supportive services, and non-congregate shelter, to reduce homelessness and increase housing stability across the country.

How can you participate?

The Community Forums will provide an introduction to the HOME-ARP Program and give you the opportunity to express your views on how the funds should be used. Make your voice heard and join us at one of the following Community Forums:
