The Lynn Continuum of Care is a coalition of individuals and organizations in the City of Lynn working together as a collaborative team to end homelessness and to connect individuals and families including unaccompanied youth, with mainstream resources - allowing them to move into and maintain stable, permanent housing.

The LCoC welcomes any individual or organization with an interest in understanding and addressing the issues related to homelessness, and a desire to participate in some way in the City of Lynn's Coordinated Plan to End Homelessness.

The Annual Meeting will include the presentation of the 2026 LCoC Scholarship and the election slate of the 2026 Board of Directors for vote.

In addition, the CoC will present the Beacon of Hope Award to an individual who has demonstrated exemplary service and dedication to those who are homeless and impoverished in our community.

Please RSVP to drossewey@lhand.org by Friday, May 29, 2026. Note that every individual attending from your agency should individually RSVP.
